

Fluency Homework - Due Friday

Fluency is defined as the ability to read with speed, accuracy, and proper expression. In order to understand what they read, children must be able to read fluently whether they are reading aloud or silently. When reading aloud, fluent readers read in phrases and add intonation appropriately. Their reading is smooth and has expression. The more fluent you read the better you understand what you are reading!

Directions: Read this poem aloud to an adult every night. **Be ready to read this poem (by memory and with proper expression) to me on Friday! If you're ready to say it earlier than Friday...GO FOR IT!**

A Splurge

We splished
and splashed
and sprayed our dishes
trying to get them clean.

Today we went
and splurged
and bought
a splendid new machine.

It splished and splashed
and splashed the dishes
while we went out to play.

It did the job
quite splendidly!
I'm glad we splurged today!
